

# NEUROSURGERY - MD (NSY)

---

**NSY 311 Neurosurgery 4 cr****NSY 400 Neurosurgery Externship 1-4 cr**

To be determined.

**NSY 411 Neurological Surgery 1-4 cr**

Four-week experience in neurosurgery including rotations on clinical admission, consultation, and patient services of the department. This includes both adult and child experience.

**NSY 444 Spec Elec-Neurosurgery 1-4 cr**

To be prepared by the student in conjunction with the Course Director and approved by the Vice Dean before course can be added to schedule. This course is designed to offer students and faculty/clinical faculty an opportunity to develop electives which are not offered in the Elective Manual. Such an elective may be made permanent and printed in the next edition of the Elective Manual at the request of the Course Director and with the approval of the Curriculum Committee. At the discretion of the Vice Dean, this elective may count as the required "in-house" elective.

**NSY 480 Neurological Surgery 1-4 cr**

Four-week experience in neurosurgery including rotations on clinical admission, consultation and patient services of the department. This includes both adult and child experience.
