

BIOMEDICAL SCIENCES MINOR

Degree Requirements

A minor in Biomedical Sciences, requires 18 total credit hours, of which 12 must be completed in BMD.

| Code | Title | Hours |
|--|-------------------------------|--------------|
| Biochemistry I | | |
| Select one of the following: | | 3 |
| BMD 321 | Biochemistry I-Molecular Biol | |
| CH 440 | Biochemistry I | |
| BLY 440 | Biochemistry I | |
| Human Physiology | | |
| Select one of the following: | | 3-4 |
| BMD 334 | Human Physiology I | |
| BLY 350 | Human Physiology | |
| BMD 251 | Human Anatomy & Physiology I | |
| Human Anatomy | | |
| BMD 311 | Human Anatomy | 3-4 |
| or BMD 252 | Human Anatomy & Physiology II | |
| BMD Electives | | |
| Select 7-9 hours of electives. Recommended to include: | | 7-9 |
| BMD 322 | Biochemistry II-Metabolism | |
| CH 441 | Biochemistry II | |
| BLY 441 | Biochemistry II | |
| Total Hours | | 16-20 |
