

COMPOSITE SCIENCE MINOR

Degree Requirements

If a minor is required in your degree program, at least 9 (lower and/or upper-division) hours of courses in the minor must be completed at the University.

Minor in Composite Sciences

A minimum of 24 hours is required for this minor.

To declare the Composite Science minor, talk to your academic advisor or visit the Arts and Sciences Academic Service Center in Alpha Hall South, room 345.

Select three laboratory science sequences from the following:

Note: Students may receive credit for only one sequence in Biology (BLY 101/102 or BLY 121/122) and one sequence in Physics (PH 114/115 or PH 201/202).

Code	Title	Hours
All sequences require lab associated with lecture course.		
BLY 101 & BLY 102	Life Science I and Life Science II	
BLY 121 & BLY 122	General Biology I and General Biology II	
CH 131 & CH 132	General Chemistry I and General Chemistry II	
GEO 101 & GEO 102	Environmental Geography and Earth and the Environment	
GY 111 & GY 112	Physical Geology and Earth History	
PH 114 & PH 115	Physics with Algebra-Trig I and Physics with Algebra -Trig II	
PH 201 & PH 202	Calculus-Based Physics I and Calculus-Based Physics II	

Additional Information

Students cannot choose a laboratory sequence in their major.

Geology majors are required to take a Physics laboratory sequence.
