Minor Requirements	
A minor is required for this degree program	18-24
A MINIMUM OF 120 HOURS IS REQUIRED FOR A DEGREE	120

All undergraduates must complete two designated writing credit (W) courses, at least one must be in major or minor.

Additional Information

Students majoring in International Studies should complete 18 credit hours of core courses, one of six concentrations (24 credit hours), and a pre-professional program or traditional minor in a complementary subject.

Pre-Professional Program

Students should complete either one of the three pre-professional programs outlined below (international business, a language specialization, or a personalized pre-professional program) or have a traditional minor. Students with a double major are not required to have a pre-professional program or a minor.

International Business

(21 Hrs)

The International Business option provides students with a basic foundation in business and best equips the student to enter the field of international business or related areas upon graduation.

Code	Title	Hours
ECO 330	Current Global Economic Issues	3
or ECO 363	International Economics

MGT 465	New Venture Creation	
MKT 336	International Marketing	
MKT 384	Market Research	
MKT 310	Intro International Business	
MKT 477	Export-Import Management	
MKT 492	Applications in International Business	
IS 496	Prof St Internship -	

Total Hours **21**

Language Specialization

(21 Hrs)

The Language Concentration option allows students to acquire a professional level of fluency in a foreign language as a complement to their international studies training. The requirements are 21 hours of study in a selected foreign language. Students wishing to concentrate in

language should consider the FL/IS double major described below. Note: This option may not be available for all languages.

Personalized Pre-Professional Program

(21 Hrs)

The Personalized Pre-professional Program is designed primarily for students who wish to pursue graduate study and need a special program tailored to the needs of their expected graduate area. A pre-professional program consisting of a minimum of 21 semester hours including at least one upper-level seminar, directed studies, or internship. Proposals for a personalized program, drawn up by the student in consultation with his or her advisor, must be submitted for approval to the Program Director and the Dean of Arts and Sciences before the first semester of the student's junior year.
