Political Science Electives				
A. Select 21 hours of PSC Upper Division (300/400) Electives				
Minor Requirements				
A minor is required for this degree program				
A MINIMUM OF 120 HOURS IS REQUIRED FOR A DEGREE				

All undergraduates must complete two designated writing credit (W) courses, at least one of which must be in the student's major or minor.

Additional Information

Majors in Arts and Sciences may be completed with a minimum of 120 semester hours unless designated otherwise. At least 30 hours of course work, which represents 25% of the required 120 hours, must be at the upper division level in order to fulfill the University's residency requirement. At least 15 of the 30 upper-division hours must be in the major or concentration area. An overall grade-point-average (GPA) of 2.0 is required for graduation. In addition, a minimum GPA of 2.0 is required in the student's major or concentration area.

The major in political science requires 36 semester hours, including PSC 130, PSC 250, PSC 270, PSC 310/CJ 310, and PSC 492 (W)—plus 21 hours of PSC electives at the 300/400 level. PSC 130 is a prerequisite for most other PSC courses. Political Science majors must earn a grade of "C" or higher in PSC 130 and also in the Capstone Seminar, PSC 492 (W). Students pursuing a degree in Political Science must have a minor in another discipline.

In addition, all political science majors must take the ETS major field test in political science and receive a satisfactory score (The standards for passing are determined by the Department of Political Science and Criminal Justice). Students with unsatisfactory scores on the ETS test can retake the test, or they may be required to repeat coursework in political science. The ETS is administered in the Capstone Seminar, PSC 492 (W), which is typically offered in the Fall Semester only. All PSC core courses must be completed prior to enrolling in PSC 492 (W).

All political science majors must demonstrate competency in oral and written communication. Students will be expected to deliver presentations, particularly in the Capstone Seminar. The University of South Alabama requires two Writing-Intensive (W) courses for graduation. PSC 492 (W) fulfills one Writing-Intensive requirement, and CJ 310/PSC 310 (W) fulfills the second.
