

INFORMATION SYSTEMS (MS)

Degree Requirements

Requirements for Master's Degree in Information Systems (ISC)

Students must satisfactorily complete any prescribed prerequisite courses, a comprehensive examination, and thirty (30) graduate credit hours for the Master of Science in Information Systems degree. Information Systems majors must complete their Information Systems program with a minimum grade of "B" in all core courses and an overall program GPA of 3.0. The thirty (30) graduate hours consist of twelve (12) hours of **Core** courses, eighteen (18) hours of **required** courses as follows:

Code	Title	Hours
Core Courses		
All core courses must be completed with a minimum grade of "B"		
ISC 501	Programming for IS	3
ISC 507	IS Database Processing	3
ISC 561	IS Database Management	3
ISC 565	IS Project-Change Management	3
Required Courses		
ISC 551	Human-Comp Interface Design	3
ISC 545	Management Information Systems	3
ISC 559	IS App Design-Implementation	3
ISC 560	Info Systems Analysis-Design	3
ISC 567	IS Function Integration	3
ISC 568	IS Enterprise Integration	3
Total Hours		30

- The Master of Science in Information Systems is a software development focused professional degree program. Any substitutions to the required courses must be approved by the Director of Graduate Studies.
- Students in the Master of Science in Information Systems program must pass a written comprehensive examination. Students wishing to sit for the examination must apply on-line to the SoC Director of Graduate Studies by the Friday before the start of classes in the semester in which the examination is to be taken. The comprehensive examination is offered twice a year. The School of Computing Comprehensive Examination Policies and Procedures document and the Comprehensive Examination Application form are available at <https://www.southalabama.edu/colleges/soc/essentialstudentlinks.html>
