Major Milestones

Effective fall 2016, the Interdisciplinary Studies degree includes a Major Milestones guideline to help students stay on track for timely graduation. In order to remain on track, students must complete the Milestone requirements for each term. Requirements for Major Milestones apply only to full-time degree-seeking students who entered fall 2016 or later. These requirements are viewable on the Major Milestones table below.

- Students who earn an English ACT score of 27, or a written SAT score of 610, can opt out of EH 101.
- Must have one history elective and one literature elective. In addition, students must choose a second history or literature course to complete a two-part sequence.

Two designated writing courses are required with at least one course chosen from the student's major. Writing courses are identified in the University Bulletin by a (W) after the course title.

This Sample 4-Year Plan is designed as a guide for students preparing for their course selections and only provides only a suggested schedule. Actual course selections should be made in consultation with an academic advisor.
